

Conditions for transporting a dog or cat in the hold

You must meet the conditions listed below to transport your animal in the hold. If you fail to meet these conditions, your animal will not be accepted for transport in the hold. The present document must be signed and presented at the airport on the day of your departure.

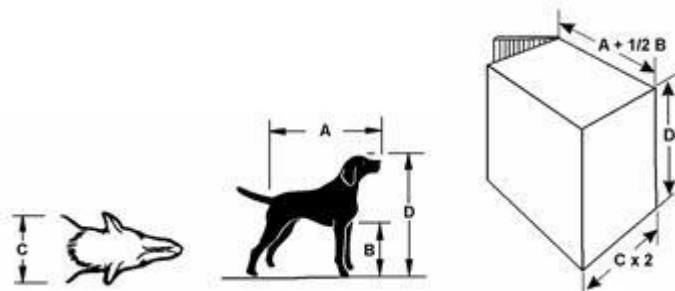

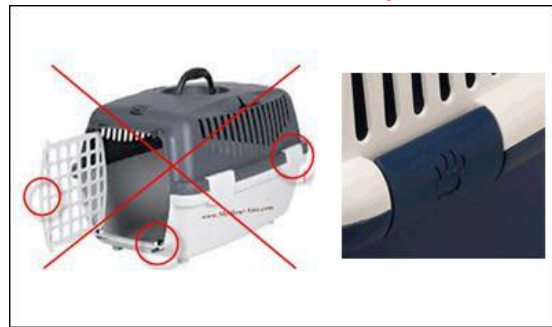

Requirements for the travel container (IATA – International Air Transport Association standards)

- ✓ The container must be made of hard plastic or fiberglass.
- ✓ If the container has wheels, they must be removed. If they are retractable, they must be taped securely in place.
- ✓ The door must have a centralized locking mechanism that locks in 2 places: at the top and at the bottom of the door. **(a)**
- ✓ The door hinges must extend beyond the horizontal extrusions located above and below the door by 1.6 cm (5/8 in). **(b)**
- ✓ The two halves of the container must be fastened together by bolts. All other lateral closing mechanisms are strictly prohibited. **(c)**
- ✓ The animal must be able to stand, with its head completely straight, without touching the roof of the container. It should also be able to turn around and lay down comfortably.
- ✓ The container must contain separate food and water dishes, both of which must be empty, secured to the floor and refillable without opening the cage.

Authorized for transport

Prohibited from transport

A = Length of the animal from the nose to the base of the tail.
 B = height from the ground to the top of the leg (elbow joint).
 The length of the container must be at least equal to $A + 1/2 B$
 ($1/2 B$ = half of the length of the leg).
 C = Width of the animal's back. The width of the container must be at least equal to $C \times 2$.
 D = Height of the animal in a natural position, up to the top of the ears or head. The height of the container must be at least equal to D.

Other criteria to ensure the comfort and safety of your animal

- ✓ The bottom of the container may be covered with a blanket, newspaper or other absorbent material. Straw is prohibited.
- ✓ The animal must not be wearing a leash or a muzzle. These items cannot be left in the cage.
- ✓ The animal must not show signs of physical weakness or injury and must not have taken tranquilizers.

I certify that my animal does not belong to the following:

- A snub-nosed dog or cat breed* (i.e.: pugs, boxers, bulldogs, Pekingese or Shih Tzu dogs, Persian cats, etc.)

I have read and accept the above conditions, and understand that my animal may be refused transport if I fail to follow them.
